Template: Business Model Resilience Blueprint Canvas

Chapter 4

ROICE: Turning Innovation, Convenience & Efficiency into Value

Key Sections:

1. Why ROICE replaces ROCE in the AI-era
2. ROICE Formula and Metrics Definition
3. ROICE Mapping Template (Before / After AI Design)
4. 3 Real Use Cases (Consulting, Manufacturing, Healthcare)
5. ROICE Scorecard (Template)

Output: ROICE Score Dashboard (0–100)

Chapter 5

Simulation Game — “Your Business in AI Mode”

Interactive Strategy Simulation (Playable)

Elements:

Decision Area	Choices	Strategic Impact
AI Adoption	Basic → Assisted → Autonomous	Cost, speed, trust
Supply Intelligence	Reactive → Predictive	Risk avoidance
Compliance	Ignore → Mitigate → Lead	Reputation, legality
Licensing	No → Host → Monetize	Cashflow model

Outputs:

- 4 scenario paths
- Strategic consequences
- Risk, ROICE, Trust score per scenario

Use case: Workshops, client advisory, training

Chapter 6

From Strategy to Deployment: The 90-Day AI Transformation Sprint

Part 1: Sprint Design

Sprint Phase	Focus
Days 1–10	Diagnostic & Value Mapping
Days 11–30	Prototype / AI-Augmented Business Model
Days 31–60	Simulation, testing, real cases
Days 61–90	Implementation & scaling

Templates:

- ✓ 90-Day Sprint Planner
 - ✓ Responsibility roles (AI Facilitator, Strategist, Implementer)
-

Chapter 7

Measuring Progress: ROICE Scoreboard & Strategic Dashboards

Key Scoreboards:

Dashboard Type	What it Measures
ROICE	Innovation, Convenience, Efficiency
Resilience Index	Stability across shocks
Trust Index	Compliance & reputation strength
Scaling Index	Growth potential & revenue patterns

Deliverables:

- ✓ Scorecard Templates
- ✓ Excel/HTML Dashboard pack
- ✓ Monthly review checklist

Chapter 8

From Business to Scalable Ecosystem

Key Sections:

1. When a business becomes a system
2. The Ecosystem Scaling Model
 - Advisor Ecosystem
 - Licensing Ecosystem
 - Strategic Partner Network
3. Revenue & value flows
4. Ecosystem Partner Kit Structure
5. The ROICE Ecosystem Flywheel

Output Template: Ecosystem Growth Map (3 Levels)

Chapter 9

Monetization: The ROICE Licensing Pack & Partner Model

Licensing Structure:

License Level	Rights	Example
Standard Use	Internal use	Business owner
Professional Facilitator	Sell to 10 clients	Coaches, consultants
Strategic Ecosystem Partner	Co-brand, scale globally	Associations, institutes

Included Templates:

- ✓ Licensing Agreement

- ✓ Partner Pitch Deck
 - ✓ Pricing & Revenue Share Models
 - ✓ White-Label Branding Guidelines
-

Chapter 10

Final Vision: From Resilient Business to Legacy System

Key Themes:

1. Leadership in the AI-Resilience Era
2. How ROICE shapes future competitive advantage
3. The “Legacy Engine” for Entrepreneurs & Thought Leaders
4. Future-Proofing Business, Life, Policy
5. Final Power Statement:

*“AI doesn’t replace people.
People using AI outperform those who don’t.”*
